THE METHODIST MINISTERS APP USER GUIDE

The Methodist Ministers App, MethApp is a mobile application that enables the ministers to access report of their contributions.

Signing Up

Before a minister can use the app, the minister has to contact the church via the Contact Us menu and update the phone number.

Once the phone number is updated, the minister can click on the Sign Up button to sign up.

The minister's code is entered and a password is sent to the minister's phone number on record to use to login and update the password.

Logging in

The minister's code together with the sent password or updated password is entered and once both are correct, the minister is given access to the account.

Updating Password and Profile Photo

To update password and profile photo, click on the menu icon at the top and select the Setting Menu.

To change your password, enter the current password (the password you used to login) then the new password you wish to change to. Re-enter the new password in the Re-enter Password field. Once the current password is correct, the new password is updated.

Updating Profile Photo

To update the profile photo, click on the Profile Tab.
